RICH FITZGERALD
COUNTY EXECUTIVE

COMMUNITY CITATION OF RECOGNITION

AWARDED TO

Wilkins Township

2017 Banner Community

For many, local government is the most important form of government because of its direct impact on the daily lives of residents. The job of being a local government official, whether elected or appointed, has become an increasingly complex occupation. The Banner Community Program recognizes those municipalities and offices which are committed to professional development, prudent fiscal management, transparency, accountability, and proactive communications that engage community residents and stakeholders. This designation is a public recognition of the efforts your community takes on behalf of your residents and businesses each day. We are fortunate to have a municipality that provides effective, efficient and accountable services. You have been a part of the program since its inception in 2013, and have led by example in this county. Congratulations of this most recent award as a 2017 Banner Community.

Presented on this 31st day of March, 2017
