New Municipal Procedures due to Coronavirus

March 17, 2020

To the Residents and Visitors of Wilkins Township:

As we continue to face challenging times as a Country, Wilkins' elected and appointed officials have found it necessary to add restrictions for public access to the municipal building and municipal employees. We appreciate the understanding and cooperation of the public.

Municipal Building Access: The Municipal Building will reopen to the public on Wednesday, March 18, 2020 at 8:30 AM. Access to the Building will be through the front lobby only. All other doors will remain locked. Visitors requiring assistance from the Administrative Offices will be asked to remain in the lobby and transact business at the glass window. Visitors requiring assistance from the Police Department will be required to transact that business in the main lobby. All municipal personnel will practice social distancing when interacting with the public. Access to restroom facilities is temporarily banned. If your visit to the Municipal Building can be handled by telephone instead of in person, please consider doing so.

Police Emergency Operations: Police emergency operations will not be limited, however, the method of communication and service for non-life-threatening calls will be altered. Police Officers will limit their access to confined areas, including homes and businesses. For report calls, officers will be requesting callers to meet outside and will maintain a social distance. If and when possible, Officers will be requesting phone numbers to take reports by phone or may request emails for detailed information. Please be honest about any illnesses when requesting assistance from police, fire or WHEMS.

To contact the Township Manager's office, please call: 412-824-6650 x 10

To contact the Township Police Department – nonemergency, please call: 412-824-0032

To contact the Township Public Works Department, please call: 412-824-6650 x 18
