July 11 Regular monthly meeting of the Lower Township Board of Commissioners called to order by President Hall at 8:10 PM on Monday, July 11 in the Town Hall. Five Members present for Roll Call - Aiello, DeLaney, McClain, Nickle and Hall.

Attorney Frank Reid was introduced to the assemblage as the new Township Solicitor. A delegation of residents of Azalea Blvd, Clydesdale and Miller Lanes were heard regarding:

(a) Drainage and conditions

(b) Zoning violations by five families in one dwelling.

(c) Garbage, health and sanitary nuisances by above zoning violations.

(d) Noise and disturbances of subject zoning violations.

In reply to these complaints, the Board directed road supervisor Manning to investigate the road patching job (project) from Cline Street to Azalea Blvd, so as to grant temporary relief. Zoning Inspector of the zoning Commission was instructed to investigate the zoning violations and John Bodine, Health Officer was requested to take corrective action and measures to eliminate the unhealthy and unsanitary conditions. Police Department promised they would curb disturbances and noise when called. In answer to a progress report requested by the Parish of Lambert Ave. on the County aid application for a water line on Lambert Avenue, solicitor Reid reported considerable confusion in the County Commissioners legal department concerning the subject application, and also confusion in the water authority legal aspects. Solicitor Reid will follow closely.

Fred Hastings submitted verbal specifications for curbing on the Westerwalk Gardenia Drive

roadway, of 1000 feet on each side and the Commissioners agreed that this type of rolled curbing, submitted in writing and approved by inspection of curbing by Commissioner Aiello, and the installation of a catch basin on the North side of Gardenia Drive at the Cherokee Road right of way as well as the installation of a proper catch basin at the fill on Gardenia Drive, would be sufficient to accept this road as a Township street. The above formed as an agreement and carried as a motion by DeLaney, second by Nickle. Future alleviation of side road drainage conditions, north of the Bay the property was recommended. Hastings agreed that the Engineer recommendations on this road would be reported. A representative of Sequence Light Co requested the vacationing of a portion of Putnam Street in the Bonnie Plaza in order to permit installation of a substation. Commissioners to meet at the site on Wednesday evening, July 13, in company with Sequence Light representatives. Solicitor reported the deputizing of the watchmen as a police officer on the Colonnade building project owing to township code having payment of police officers by more than Township Commissioners. Police chairman to get credentials granted earlier without legal counsel. It was agreed by the Board and the Police department that a tree near the corner of Cline Street and Greenbriar Place was on a private drive way and distant retard vision. Bills read, moved by AIELLO, second by DELANEY, that are properly approved bills be paid. Minutes of June 6 meeting approved as read on motion by AIELLO,

Rody visited from Fire Co #1 regarding various topics brought up for discussion at the joint meeting of Fire Company and Commissioners. In report, the matters stated the estimate of two more board of trees; that the broken wing of the ladder had been repaired; that the water bills would not be taken over; and that the trees will not be paid by the Fire Company. Stated also

noted that a reply was awaited from the Ward LaFrance Company regarding the engine, an invitation from #1 Fire Company to the Commissioners to attend the annual Newfoundland party was received. Letter of resignation of C. O. Kerr from Board of Health was read. Note from Burdett read, requesting the loan of a road laborer for some personal damage work with labor and material to be paid by Burdett.

Solicitor reports: 1. An ordinance should be adopted compelling developers to record lot plans before selling lots off unrecorded plans. Secretary directed to request Shackleford to present all plans at next meeting of the Board on Jan 9th. 2. Solicitor requested copy of Ordinance #148 be sent to his office. 3. Apparently no action has been taken by School Board on sheriff sale contracts. Secretary ordered on a motion of
150 AIELLO, second by DELANEY to communicate by letter to Secretary of School Board requesting action and also a reply as to what action has been taken. 4. Regarding Commissioners action in a letter to Brannon Beasley, the resolution of commission must be adopted by an published ordinance, but on investigation of the new township code, it is apparent that the premium of the tax collectors bond doesn't necessarily require payment by the township. In as much as this reduction in commission was made taken to compensate the tax-payers for the payment of the treasurer bond premium, the secretary was directed to communicate by letter with the treasurer, explaining the Commission changed to original 5-7% rate and the bonding premium to be

handled as of prior years. 5.- Solicitor requested that the land tax books be turned over to him, as of this evening, arrangements to transfer the payment tax on lands tax collections will be forwarded them by Solicitor, and that the Municipal Tax Rate Company be directed to keep lands tax records bro-to-date. 6. Resolution presented for acceptance of Clyde St. Sewer

Bd. of Adj. Not Appointed.

October 2 1950. Regular meeting of the Wilkins Township Board of Commissioners.

Place: No. 3 Fire House - Powell Street

Called to order by President Richard B. Rose 8:05 P.M.

Answering Roll call were, Rose, Aiello, Dohaney, Augustine, Roolf and Solicitor Reich.

Complaints: Mr. De Klown and delegation from Linhart ask for a report on their flood relief petition. Mr. Reich reported that he examined the petition and found same to be according to law. - that according to information received the 'Bank Garage' was the main obstruction to clearing and deepening the creek channel, - that the Township be free of liability if they are to be the sponsoring body of any dredging project that may be undertaken to relieve the flood conditions. The secretary was directed to write to Mr. R.A Gardner of the State Forests and Streams concerning the probability of the Rockey Company's material blocking the natural flow of Chalfont Run.

Further comments on flood conditions and causes were advanced by Mr. Welsh and Mr. Pekna.

Mr. Balent of Brown Ave. extention asked for help on road conditions in his locality. In connection with this request the question arose as to who is responsible for the road maintenance, the State or the Township. For clarification of this subject the secretary was directed to contact Mr. Ernest Trimble, District Twp. Engr. of the State.

Mr. E. Bertolina of Elizabeth St. questions Board concerning rumored sale of Edith Ave. to Catranell Const. Co. Mr. Roland Catranelli of the Catranell Const. Co. advises that his concern is not contemplating such a purchase.

Mr. Bernard Bertolina of Edith Ave. inquires about improving surface of Edith Avenue with views of ultimately establishing it as a Township Street. Permission was granted provided Township Ordinances were complied with.

Mr. Roland Catranelli of the Catranell Const. Co. presented letter from Engr. H.A Shope, Subject of which was the acceptance of Lilly Lane, in Gilmore Plan of lots No. 2. and Elizabeth St., Lilly Lane and Stewndale

Drive in Gilmore Plan of Lots No. 3. Commissioners ask Mr. Catarinelli for written guarantee that the roads would be in good condition when these plans are vacated by builder. Mr. Catarinelli agreed. Solicitor Reich advised that a resolution be drawn up confirming the acceptance of said streets. Secretary directed to write to Engr. Shope asking recommendations and official description of subject streets.

Mr. Welsh, questions commissioners about the status of the Shuckhill Cemetery petition to enlarge property for cemetery use. Mr. Reich asked Commissioners to examine the petetion and voice their opinions. The Commissioners expressed satisfaction that to the best of their knowledge the signers of said petetion were residents of the neighborhood in question.

139 Motion by Aiello, seconded by Delaney to adopt resolution concurring with request of said petetion. Roll call vote. Aiello, aye, Delaney, aye, Augustine, aye Roolf, aye, Rae Aye. Resolution adopted unanimously.

140 Motion by Aiello seconded by Augustine to direct solicitor to plan for vacating of part of Horning Road, Coal Street, Well Road and Negley Ave., as also requested by Cemetery Board, provided that the cost of this action will not be placed on the Township. Motion adopted.

Business Meeting:

The minutes of the previous meeting were read. Correction by Solicitor Reich reference to Change of Board of Appeals to Bd of Adjustment. There being no further correction the minutes were approved.

Communications:

Letter read from Mr. John A. Bendot Jr. regarding the attempted renovations of Twp. signs. Since said signs were too corroded to repair Mr. Bendot asked for ways and means of disposing same. Mr. Wensing was ordered to obtain same.

Letter read from Mr. Goodburn complaining about parking violations on Goodburn Alley. Referred to Police Dept.

Letter from State Bureau of Municipal Affairs regarding officers of the Board of Commissioners. Advised by secretary by return mail.

Letters written by Sec. to Francis P. McVay and Joseph H. Scott confirming their appointment to Wilkins Twp. Planning and Zoning Board.

Letter written by Sec. to A. Sabol Reduction Co. regarding garbage complaint of Elizabeth St residents of Sept. 11. Mr. Sabol appeared in person to answer complaints. Mr. Sabol claimed that residents of said street used 55 gallon oil drums as garbage containers. These containers first of all are not in accordance with Sanitary Laws and secondly were too heavy. Collections were not too regular because of lack of labor. Promise to do better in future.

Letter written to Mr. Armstrong of the State Hwy. Dept. regarding clearing catch basin at Larimer Ave. near Fire House No. 1. In answer to this Mr. Hoking telephones that work would be done at an early date when necessary equipment was available.

This meeting was recessed from the regular meeting of July 2, 1951 for the purpose of considering the recommendations of the Road Committee regarding the purchase of Road Equipment and any other business which may be in order.

The Road Committee reported that they were not as yet ready to recommend the purchase of Road Equipment. Demonstrations from the different bidders had not been completed. It was agreed to table this item till next regular meeting.

The secretary reported receiving the remainder of the Road maps from Township Engineer Shope and asked for authorization to distribute same to Civil Defense Council.

104 Motion DeLaney-Augustine to refer same to Commissioner Roolf for study and recommendation. Motion adopted.

The secretary reported receiving application for permit to build a duplex (two family dwelling) on Greensburg Pike from Ordinance Officer Bodnar. The Board approved the recommendation of the Ordinance Officer to refuse said application for the reason that it is a violation of our Zoning Ordinance for this district. The secretary was ordered to so advise the owner Mr. Chas. Filago.

The secretary reported receiving a complaint from Joseph D. Krache of 565 Negley Avenue regarding a 'Right of Way' located between the Sanders property and the Mungo property connecting Ayers Alley and Negley Avenue. The opinion expressed by the Solicitor and approved by the Board is as follows: Since the Township of Wilkins has never accepted this 'Right of Way' it cannot be considered Township property. However, if the residents purchased their properties

with the use of this 'Right of Way' as a condition of purchase then they have the right to the use of same. It is the unanimous opinion of the Board that this is strictly a private affair and in no way concerns the Township of Wilkins.

Solicitor Reich reported confering with the Water Authority representatives regarding the Water line agreement of the residents of First Street, Linbart. It was tentatively agreed that any refund of the excess funds would be distributed on a 'pro-rata' share to all the contributors.

Secretary reported receiving a complaint from Mr. Frost of 193 Carr Way regarding drainage of rain water from road to his property. Road Department to investigate.

Mr. Joseph Wagner of the Wagner Realty Company presented proposals and recommendation on the Township's Fleet Insurance and asked for consideration when re-newing policies.

Solicitor Reich recommended that the Board appoint a Township Planning Commission at an early date.

105 Motion Roolf-DeLaney to adjourn. Motion adopted 10:25 PM.

M. Jos Martinelli, Sec.

Regular Meeting of the Wilkins Township Board of Commissioners
April 7 1952 Wilkins Junior High School 8:05 PM.

Present at Roll Call were:
Commissioners Rose, DeLaney, Aiello, Augustine and Roolf and Sol. Reich.

Chairman Rose opened the meeting by recognizing Benj. W. Haseltine, Jr. of 173 Crescent Hills Penn Township who had requested by letter for permission to speak to the Board of Commissioners. Mr. Haseltine represented a group composed of residents of Churchill Boro, Penn Township and Wilkins Township (approximately 25 of whom were present) who were opposed to the construction of a so-called 'Stock Car Race Track' on the Barcie Farm near Rodi Road and the Old William Penn Highway. He emphasized that this was a direct violation of Ordinance #101 and that he had filed a bill of Equity in Common Pleas Court asking for a preliminary injunction to stop construction of said track.

Mr. Charles Seif, Chairman of the group and resident of Old William Penn Highway, Penn Township urged the Board of Commissioners to rezone the affected area for high residential use.

Mr. Hosbaugh of Sunset Drive, Wilkins Township reviewed the original intent of the existing Ordinance #101 emphasizing that the proposed use was not in accordance with the Ordinance as it was enacted in 1931.

Chairman Rose stated that up to this time the Board of Commissioners had not officially received any complaints regarding said race track. However since the newspapers had publicized the problem the matter had been discussed at a special meeting of the Board of Commissioners. Mr. Rose directed the Solicitor Mr. Reich to review the position of the Board. Mr. Reich stated that in his opinion the Board of Township Commissioners were not in any manner involved in the matter since there appeared to be no violation of any Township Ordinance. He further advised that since there existed a difference of opinion regarding the interpretation of Ordinance #101 it would be a matter for the Common Pleas Court to decide.

Note: See correction May 5 Meeting Page 269. mgm.

In answer to Mr. Seif's request the Chairman directed to Secretary to request of the Planning Commission a study of the zoning along the Old William Penn Highway and a recommendation for changes if inequities existed.

Commissioner Aiello requested and was granted permission to leave the meeting.

Mr. Doris Watt, No. 3 Fire Company Chief requested the Commissioners to re-consider the locating of the Police Car in front of their Squad truck. Mr. Watt was asked to be patient until other arrangements could be made.

Mr. Watt also complained about the run down condition of the No. 3 Fire Truck. The fire Committee to check these complaints and recommend repairs.

Mr. Robert Barclay of Sunset Drive complained about garbage dumping along Logi Road. Mr. Barclay was asked to obtain identification of offenders and report same to Justices of Peace or the Secretary.

Mr. Davis of 951 Rita Drive complained of the free running of dogs in the district. He was advised that the Commissioners had on hand a Dog Ordinance which in all probability would be adopted this evening.

Mr. Langer of Gardenia Drive again requested control of parking along Gardenia Drive. He was advised that his problem would be answered in the Old Business portion of the meeting.

Mr. James O'Brien of 970 Greensburg Pike requested that the Commissioners grant the #3 Fire Co. requests. He was told that the report of the Fire Committee would be a guiding factor.

Mr. Ernest Kuenzig, Jr. #1 Fire Company Sec. Treas requested the Fire Committee to also investigate the conditions of the No. 1 Fire Truck since they too were having valve trouble. This was agreed on.

There being no further complaints the Chairman ordered the Business portion of the meeting to proceed.

The minutes of the previous meeting was read and approved as read.

Regular Meeting of the Board of Commissioners of the Township of Wilkins. May 5, 1952. Wilkins Junior High School 8:05 PM.

Present at Roll Call were:
Commissioners: Rose, Delaney, Aiello, and Augustine and Solicitor Reich.
Absent: Commissioner Roolf.

Chairman Rose opened the meeting by asking for complaints from the citizens.

Mr. Don Watt, No. 3 Fire Co. Chief presented a letter addressed to the Board of Commissioners dated May 3 from the Wilkins Township Vol. Fire Co. #3 and reporting certain action taken at the Firemens meeting of May 1 espressing dissatisfaction over the Boards attitude towards their material requests for fire fighting purposes and threatening retaliatory measures. After pro and con discussion involving the Commissioners and members of the fire company lasting 45 minutes the Chairman directed the Fire Committee to investigate the complaints on Tuesday May 6. Permission was given to the #3 Fire Company to purchase 12 Soda-Acid Refills - 12 Foamite Refills and 5 Gallons Carbon Tetrachloride. The Secretary was directed to prepare a fire expenditure report for the past 4 years if possible.

Mrs. Roarbaugh of R.D.#1 Box 266 William Penn Highway commented on fund raising means for the Fire Companies and spoke in favor of Jalopy Race track in the district.

Mr. Samuel Palarino, objected to a Jalopy Track being proposed for the New William Penn Highway since the principal promotor was Mr. Wm. Penna who is one of the objectors to the Barcie Farm Jalopy Track. The Solicitor advised that the same ruling applied to both proposals and the final directive must come from the courts.

Mr. Hanna of Stevendale Drive questioned the location of these proposed Jalopy Race Tracks. He was advised that unless Township Ordinances were violated the Commissioners were not involved in the matter.

There being no further complaints offered the Chairman ordered the Business Portion of the meeting to proceed.

The minutes of the regular meeting of April 7 were read and corrected to read as follows: Paragraph 1 page 259. In answer to Solicitor Reichs request the Chairman directed the Secretary to request of the Planning Commission a study of the Zoning along the Old William Penn Highway and a recommendation for changes if inequities existed.

Recessed Meeting of The Board of Commissioners of the Township of Wilkins - May 21, 1952 Junior High School 8:05 P.M.

Present at Roll Call were - Rose, DeLaney, Augustine, Aiello, Roolf and Solicitor Reich.

The meeting of May 5, 1952 was recessed for the purpose of considering and discussing the Sampson Brothers Inc. proposal to develop the Buck Farm located at the Northeasterly part of the Township into approximately 550 home units and any other business which was deemed important.

Seven members of the Sampson Brothers Inc. presented their proposal summary of which follows:

The tentative plans call for building of approximately 550 homes priced between 10 to $20,000 on lots approximating an average of 50 X 120 feet. This would mean an increase of assessed valuation to the Township of Wilkins of about $3,025,000.00 or $30,250.00 revenue at present rate of taxation.

The tentative plans also call for the construction by the Sampson Bros. Inc. of a sewage disposal plant to care for the sewage of the proposed units and the same to be deeded to Township of Wilkins upon approval by the Commonwealth of Pennsylvania.

The Corporation pointed out to the Board of Commissioners that due to the topography of the land to be developed the code requirement of a 25 foot building line and the 8 foot side yard would be inconvenient to the proposed project. They asked that if possible the same be reduced to a 20 foot building line and 5 ft. side yard to be applied only where the original requirements cannot be conveniently adhered to.

96 Motion DeLaney-Aiello to direct the Solicitor to prepare an amendment to the Zoning Ordinance creating an A-2a District permitting a 20 foot building line and 5 foot side yards and otherwise to be a complete separate area. Roll Call vote was recorded as follows: DeLaney, aye - Aiello - aye - Augustine, aye Roolf aye - and

Rose, aye. All members voting aye the motion was adopted unanimously.

97 Motion Aiello-Augustine to direct the Solicitor to prepare a Resolution for application to the Commonwealth of Pennsylvania for the erection of a Sewage Disposal Plant on the Beech Farm and to prepare an agreement to be entered into by the Sampson Development Co. Inc. and the Township of Wilkins regarding same. Roll call vote was recorded as follows: Aiello, aye - Augustine, aye - Delaney, aye - Roolf, aye and Rose, aye, All members voting aye the motion was adopted unanimously.

98 Motion Augustine-Aiello to direct the Solicitor to prepare an Ordinance regulating the installation of gas lines and meters in all new homes being built in Township of Wilkins. Roll call vote recorded as follows: Augustine, aye - Aiello-aye, Delaney, aye - Roolf, aye - and Rose, aye - All members voting aye the motion was adopted unanimously.

The Secretary reported having on hand proposals for the purchase of 400 feet of Fire Hose as authorized by Motion #91 of May 5th meeting. The same was referred to the Fire Committee for recommendation.

Regular Meeting of the Wilkins Township Board of Commissioners Monday, June 7, 1954 - Wilkins Junior High School - 8:05 PM.

Commissioners present were - Rose, DeLaney, Aiello, Augustine and Roolf. Also present was Solicitor Reich.

Under Complaints - Mr. John Balint of Brown Avenue, Mr. Henderson of Wallace Avenue and Mr. Chatlos of Elsie commented on the elimination of rubbish collection by the Townships Road Department. They were advised that since, in accordance with Ordinance No. 156 at least 75% of the residents had availed themselves of the services of private collector approved by the Board, it was not considered good economic policy to render this service to a small minority group. The question of increasing real estate taxes to install overall garbage collection was discussed at length. It was emphasized by various members of the Board that this would be more or less a discriminatory procedure since the amounts of garbage to be collected would be comparatively equal but the amount of tax would vary with the assessed valuation of properties.

The minutes of the regular meeting of May 3, 1954 were read and approved as read.
The minutes of the recessed meeting of May 17, 1954 were read and approved as read.
